MEN'S MINISTRY

DR. DAVID REAGAN

Dr. Reagan is host of the nationally televised weekly program called "Christ in Prophecy". He entered full-time ministry in 1976 and is regarded as a leading expert in Bible prophecy. He is the author of many books on the subject, and publishes the 'Lamplighter' magazine, that focuses on the relationship between current events and Bible prophecy. Dave has lead over forty pilgrimages to Israel that focus on prophetic significances. Before entering the ministry, Dave had an extensive career in higher education which included Director of Pepperdine University's Center for International Business in Los Angeles, Vice President of Phillips University in Enid, Oklahoma, and President of South Texas Jr. College in Houston.

Lamb & Lion Ministries was founded in 1980 as a non-denominational, independent ministry. The Ministry does not seek to convert people to any particular church, rather, it seeks to lift up Jesus and draw people to Him as Lord and Savior.

The Ministry was established for the purpose of proclaiming the soon return of Jesus. We do not believe it is possible to know the date when Jesus will return, but we do believe it is possible to know the season of the Lord's return, and it is our conviction that we are living in that season.
